

Here is a list of some affordable hotels in Utrecht. Please keep in mind that Utrecht can be quite expensive to stay. Some hotel suggestions are:

- [Moxy](#)
- [NH Hotel](#)
- [Park Plaza](#)
- [Bunk](#)

Websites to use for booking:

- [Booking.com](#)
- [Lastminute.com](#)
- [Airbnb.com](#)

If the hotels are out of budget or fully booked, you can also book outside Utrecht. We recommend checking hotels in:

- Zeist
- De Bilt
- Bunnik
- Bilthoven
- Maarsse
- Vleuten
- Nieuwegein

If you book a hotel in one of these neighboring cities, you would have to travel to the city. However, public transport in the Netherlands is very well arranged and travel times are relatively short. We recommend you download the app 9292, which you can use to arrange all public transport. The app allows you to check the fastest travel routes and shows you to go to which exact bus/tram stop. To attend the seminar, we recommend you to either fill in (as the end destination) “Botanische Tuinen” (bus stop) or “Padualaan”(tram stop).
